Welcome To *La Rose* Nail Spa

At *La Rose*, we made a nail spa created with the vision of what customers wished to be pampered with, without having to break the bank. Now, you no longer have to struggle with the high prices of a day spa, or the low quality of a discount nail salon.

Our treatments combine fresh botanical ingredients and genuine aromatherapy with traditional spa services for maximum healing results. We feature various manicure and pedicure treatments all performed by highly skilled and experienced professionals to satisfy your beauty needs.

La Rose was made as a French country environment to relax your body, restore your energy and recharge your spirit.

At *La Rose* Nail Spa, your health & safety are our concern. All our equipments & tools are sanitized in compliance with California Bureau of Barbering & Cosmetology Regulations.
